Language

- Thai (Native)
- English (Intermediate)

Education

2021 - 2025

Rajamangala University of Technology Thanyaburi

Faculty of Science and Technology

Major of Computer Science

GPA 3.20

2018 -2021

Thanyaburi School

GPA 3.04

Experience

July 2024 - Oct 2024

(Internship) IBusiness Corporation Co., Ltd.

Position : UX / UI Designer

Project with Company

- Design and develop websites in collaboration with the company in both the Front-end and Back-end sections. The project is now complete and ready for further development into actual use.

Duties and Responsibilities

- Plan the structure and design the company website by studying the business information and needs of the target group.
- Design the website appearance using the Figma program, create a prototype to test the actual use and adjust according to the feedback from the team.

Achievements

Nov 2023 - Mar 2025

(Senior Project) Funny Time Horror Game

- Developing horror games for entertainment, using a creative process from concept design, game system implementation, project management, and player engagement.
